us here

A LITTLE ABOUT US - sustainable, fair and quality made.

We are proud to offer an extensive range - full of unique styles and materials - to give people the gift of choice in a time that may be one of the most personal moments of their lifetimes. Every person is unique, and every memorial deserves to be just as special.

You will notice that the items in this catalogue come from all over the world. Many years have gone into sourcing the best producers, innovators and caring people in the industry - some are the largest in the world and some are small family run and Australian based, many are in between. We believe in high quality products, that are made by people who care.

It is important to us that the items we offer are manufactured to the highest standards - in both quality and in the way that its creation effects our planet and the people involved in its production. We are proudly registered with Sedex, in their anti modern slavery network, to ensure that manufacturing is fair and ethical. We are also in the process of assessing and developing our SDG sustainability goals, and we always have an eye on how we can make our process better for all.

Make it Personal with My Touch

Engraving an urn with a special design or creating a print for one of our frames is a beautiful way to add your own personal touch to your memorial.

Some images will not engrave well on certain surfaces, so once you have made your selection, ask us to confirm if the image will suit your chosen urn. Please note that copyrighted images cannot be used, but ask us for more information about what may be possible in these instances. There is a time delay for delivery of personalised products. We cannot guarantee urns engraved by outside parties.

Can't find what you're looking for? Make sure you talk to our team to see what else is possible.

Some "Memory of a Lifetime" Jewellery is also suitable for (text only) personalisation. See page 72.

Personalise with names, significant dates, symbols to represent stories, personalities or hobbies, messages of love and meaning, or personal quotes....

Each urn is crafted by hand and can take up to 30 hours to complete.

The sophisticated process involves the hammering of copper filigree to form delicate floral patterns which are hand-filled with enamel to develop rich shades of colour before these beautiful cremation urns are gilded in gold.

You can now preview what an urn would look like

A Living Tribute

Handmade from biodegradable and recycled materials and embedded with seeds, this paper heart will grow flowers as your own living tribute.

Simply plant it in a pot, or directly in a warm garden, covered with 0.5cm of fine soil.

*Water lightly every day until the seeds germinate in approximately 5-10 days, then when needed.
*Flowers in 3-4 months. *The paper will recycle into the soil as the seeds burst into flowers.

*Pink/Salmon/*White
*Native Australian *Everlasting *Flowers

 Personalisation available separately - page 6

A legacy

Many choose to memorialise at a memorial park, to create an everlasting legacy of their loved one - a place where family or friends can gather.

Sometimes creating a second memorial elsewhere is also a part of that legacy. Perhaps at home, in a sentimental or reflective place, or somewhere for family who live far away.
